

Hardship Arrangement Application

The granting of hardship is a discretionary decision by Finance One, provided we are satisfied that there is reasonable cause for your inability to meet your loan obligations. We may agree to have your credit contract and or loan agreement temporarily varied in times of hardship which has resulted from an unforeseen or unexpected event, provided we are satisfied with your ability to meet any new loan obligations.

If you believe you are experiencing a situation of hardship and have debt which is owed to us, then we will review your situation and attempt to find a mutually workable solution for repayment of it.

- If we believe hardship is evident, then we will work with you to find a solution which is mutually acceptable to both parties.
