Consumer needs and objectives

- regulated under the *National Consumer Credit Protection Act 2009*
- monthly account fees payable
- no early repayment penalty

The Finance One secured asset loan has classifications Bronze, Silver, Gold and Platinum risk classes, all of which are covered by this TMD.

Consumer needs and objectives

The secured asset loan is designed for consumers who:

- need to borrow between \$8,000 - \$100,000
- want finance to purchase an acceptable asset (an acceptable asset includes an unencumbered registerable motor vehicle, motorcycle, caravan, camper trailer, boat or jet ski under 25 years old at the end of the loan term)
- want a fixed rate of interest for the life of the loan
- want the choice to make repayments at weekly, fortnightly or monthly intervals
- can choose to make extra repayments without penalty

Financial Situation

Description of financial situation of consumer for whom the product is suitable

This product is designed for consumers who:

- receive regular and ongoing income
- can afford to service a loan of at least \$8,000
- want to make regular repayments over a defined period
- may have past credit defaults
- meet additional lending and eligibility criteria

Excluded Classes

Classes of consumers for whom the product is not suitable

This product is not designed for consumers who:

- wish to use the finance for other than purchasing an acceptable asset
- have had unpaid defaults within the last twelve (12) months
- have poor bank account conduct
- have regular financial and direct debit dishonours
- display multiple short-term cash lender activity
- are currently Bankrupt; or
- are currently not in personal control of their finances or are under third-party budgeting arrangements

Consistency Between Target Market and Product

Explanation of why the product is consistent with the objectives, financial situation and needs of consumers in the target market

The secured asset loan is designed to suit a wide group of consumers who require access to funds to purchase an asset. The loan is designed to compliment the asset types being financed and the circumstances of the consumers – including the ability for consumers to pay out the loan early without penalty.

Consumers in the target market are unlikely to have sufficient savings to purchase an asset outright, yet have sufficient regular income to service a loan.

Distribution Channels and Conditions

Distribution channels and conditions

This product is designed to be distributed through the following channels:

- Finance One website
- Finance One direct business team
- brokers who hold an Australian credit licence, are representatives of an ACL holder or those who operate under an exemption to the licensing requirements under National Consumer Credit Protection Act 2009
- through approved third-party referral partners with whom Finance One has a formal agreement

All distribution channels must be accredited with Finance One and must be familiar with the Finance One products and the relevant target market determinations. In the case of referral partners, Finance One will observe the alignment of consumers with the target market prior to entering into any loan.

Distribution conditions include ensuring that consumers have the appropriate borrowing capacity and meet the lending and eligibility criteria and requirements for the product. Finance One ensures that any information in relation to the product is disseminated in a timely and readily accessible manner to all distributors and authorised internal sales consultants.

Why the distribution conditions and restrictions will make it more likely that the consumers who acquire the product are in the target market

The distribution conditions ensure alignment to the target market by ensuring that:

- All distributors are made aware of the target market and criteria for loan eligibility
- Finance One has taken reasonable steps to ensure distribution is aligned with the target market
- Monitoring and reporting can happen efficiently

Review Triggers

The review triggers that would reasonably suggest that this target market determination is no longer appropriate include, but are not limited to:
